BIG DROP IN SUGAR. Proposed Change in the Tariff Affected Industrial Stocks, CAUSING A DECLINE IN PRICES.

Railways in General Scored Advances for the Day—Wheat and Other Cereals Closed Weak. New York, Dec. 1.—Money on call has been easy, ranging from 1 1/2% per cent; last loan at 1 1/2% per cent, and closing offered at 1 1/2% per cent.

Government bonds have been steady; staple bonds have been firm; railroad bonds have been strong. Silver certificates at the board were neglected. Heavy purchases of stocks and bonds for London account caused a general advance in the local market at the opening.

Wheat—Moderately active, firm; options were more active, very irregular, declining 1/2c on earlier cables and large contract deliveries, advancing 1/2c on shorts covering and firmer cables, declining 1/2c on realizing and closing weak at unchanged prices to 1/2c advance, December, 67 1/2c; January, 66 1/2c; February, 70c; March, 71c; May, 73 1/2c.

Corn—Firm, fairly active; options were without feature, 1/2c advance, December, 48 1/2c; January, 47 1/2c; February, 49 1/2c; March, 49 1/2c; May, 50 1/2c. Oats—Dull, while earlier, options under; December, 34 1/2c; January, 34 1/2c; May, 36c. Rye—Quiet, firm; western steam closed at 35 1/2c; city at 36 1/2c.

Chicago, Dec. 1.—Deliveries of wheat today, contrary to expectations, were only moderate and money is sent to the hands of strong parties. The market for this reason opened steady. May advanced to 67 1/2c and December to 65c. At these prices the market held steady for a time, but on the publication of English advices that Russian wheat was a drug on their market, being offered freely with no bids and that Liverpool stocks were greater by 600,000 bushels than at the end of the month and 1,000,000 bushels larger than at the same time last year, also mentioning that Argentine wheat was offered at very low prices, and the London market, May 66 1/2c, 30 1/2c under Wednesday, corn was quiet and prices sympathized with wheat. Quits were dull and unsteady. January per cent and laid gained 2 1/2c for the day and January ribs 2 1/2c.
